Empathy Map

Create an empathy map to understand the customer/user from four perspectives — what they Say, Think, Do, and Feel — in relation to the problem EduGenie addresses.

SAYS • “I need quick and simple answers.” • “Complex topics are difficult to understand.” • “I want quizzes to test my understanding.”	**PERSONA NAME** *(Role / User Type)* **Student / Learner**	**THINKS** • “I need learning support that matches my level.” • “I want to save time when revising.” • “I want to know whether I really understand the topic.”
DOES • Asks questions and requests explanations. • Generates quizzes and uses summaries. • Follows personalized learning recommendations.	**PERSONA NAME** *(Role / User Type)* **Student / Learner**	**FEELS** • Confused when concepts are difficult. • Motivated when explanations are clear. • Confident when guided and supported.
